# International Symposium on Bio-Environmental Chemistry

Joint Symposium ¥Lawrence Berkeley National Laboratory  
¥University of California, Berkeley ¥Osaka University

Date: December 19(Sat)-20(Sun), 2009

Place: Hotel Hankyu Expo Park

1-5 Senri-Banpaku-Koen, Suita-City, OSAKA, JAPAN

<http://www.htl-expopark.jp/>

## Invited Lectures:

Prof. Heinz Frei / Walter W. Weare

Lawrence Berkeley National Laboratory,  
Physical Biosciences Division

Prof. Jeffrey R. Long / Kenji Sumida

Department of Chemistry, University of California, Berkeley

Prof. T. Don Tilley / Timothy C. Davenport

Department of Chemistry, University of California, Berkeley

Prof. John Arnold / Henry S. LaPierre

Department of Chemistry, University of California, Berkeley

Prof. Christopher J. Chang / W. Hill Harman

Department of Chemistry, University of California, Berkeley

Supported by

Osaka University Global COE Program ÓGlobal Education and Research Center for Bio-Environmental ChemistryÓ
